Winter Showcase 2024

December 22 @ 6:00pm

The winter showcase is an optional exhibition show where skaters get to show off the skills they have mastered. Club members of all ability levels from basic skills to adults are able to perform as they choose. Skaters can choose their music, choreography, costuming, and even who they skate with. Group examples include solos, duets, trios, and other fun combinations. Skaters do not have to have the same ability level to skate together!! Pick a friend, sibling, or even a parent to skate with!!

Due to the limited amount of time allotted for the winter show there is a limit to the numbers in the winter showcase. Priority will be given to the Synchronized skating lines and the LTS/NIFSC choreographed group numbers. Each club skater has the opportunity to sign up for one (1) number. Skaters who are participating in the LTS program and/or Synchro may also participate in those group numbers in addition to their one (1).

- The skaters may choose to skate solo, duet, trio, or any other creative grouping.
- The skater can work up their own routine, work with an older skater, or work with a coach (depending upon availability).
- Costuming for these numbers is the responsibility of the skater/skaters. The club will not be borrowing out costumes this season.
- Music choice must be a winter/holiday theme. As we now have a separate competitors showcase, those who are competing are encouraged to share those numbers during that time.
- Songs are required to be kept to the length equal to their competition level, Snowplow-Basic 6 is 1 min 10 secs; PreFree Skate - FreeSkate 6/Pre-Preliminary is 1 min 40 secs. In groupings with multiple skaters of varying levels, length is determined by the highest level skater in the group.
- All skaters will need their club jacket for warm-up ice.

Sign-up for the participation in the winter show will be available starting now on the sheet in the locker room. ALL skaters will need to sign his/herself up. Sign-up is on a first come first serve basis when it comes to song choice. Duplicate songs will not be allowed and with the first person/group to sign-up will be accepted. *This exception will only be made for a senior solo(s) who will take precedence.

Cost to participate in the Winter Show as a club member is \$20/skater

Cost includes ice time on show day & two (2) parent tickets for the show

Sign-up will end December 1st. Music does need to be winter or Christmas themed
